WINE BEER COCKTAILS RUM

# about alberrys

Alberrys is a Canterbury institution that first opened its doors for business almost forty years ago. In that time, it has had just 3 owners. Mike Alberry who originally opened the bar in the late 70's followed by Ray and Jenny Healy who held the reins for 20 years before retiring to France in 2002.

They passed the torch to their then manager Brendan Shilling and his business partner Sarah Graham.

Alberrys hasn't really changed that much in that time. Yes, it's had some new furniture and a lick of paint but the ethos is still the same as it has always been – great service, friendly staff and a drink menu that surpasses expectations.

We very much hope you agree and enjoy what we consider to be the finest selection of cocktails, wines, rums and spirits in the area.

# signature drinks

## The Long Vodka

£7.00

An Alberrys staple for the past twenty-five years! Your preferred vodka, fresh lime, Angostura bitters all over ice topped up with lemonade make this refreshing long drink.

## The “proper” Bloody Mary

£9.00

A large Black Cow vodka, a splash of Tio Pepe dry sherry, tomato juice, celery salt, horseradish, lemon, Lea & Perrins Worcestershire Sauce and Tabasco sauce all shaken together and served over ice and garnished with a crisp celery stick!

Just tell us how spicy you like it!

## The Mojito

£9.00

We take generous amounts of fresh mint, lime and sugar and muddle it together with Banks 5 Island rum, lavish it in crushed ice, top with soda and finish with a little Frais de Bois for our own little twist.

We are proud to offer fifty of the best, so please feel free to ask us to substitute the rum for your preferred choice.

## The Espresso Martini

£9.00

A sublimely potent blend of rich coffee and sweet liqueur make this one of our all-time favourites!

A shot of the finest espresso coffee blended with Cacao Brun, vodka and Kahlua, shaken and served chilled to perfection.

## The Ultimate Gin & Tonic

£9.00

Total refreshment in a glass! Our gin of choice is the excellent Silent Pool (50ml) poured over a glass laden with ice, garnished with a slice of fresh orange and finished with (and in our opinion best) tonic – Fever-Tree Mediterranean!

We have over 25 great gins in our selection so if your preferred tippie is one of those feel free to mix it in.

# winter warmers

## Mulled Wine

At Alberrys, we always have and always will, make our own Mulled Wine. We are renowned for it!

Every festive season it is available from the beginning of December throughout the Christmas period until early January.

Brendan, one of the owners of Alberrys, has been making and fine-tuning the recipe for over 20 years now and it hasn't changed much in all that time. He's not precious about it, and can't really tell you the measures or amounts, as it is all done to taste.

When it's right, it's right. It is as simple as that!

It starts with a good full-bodied red wine. We add orange juice, cinnamon, nutmeg, Cointreau, brandy and a few other little treats that make it unique to us. Of course it wouldn't be right (or indeed Alberrys) without a touch of rum!

You know Christmas is right around the corner when the Alberrys Mulled Wine is being served. The spiced aroma fills the air and a large glass warms the body and mind and if this doesn't get you into the seasonal spirit, nothing will!

## Mulled Wine & Mince Pies

'Tis the season for mulled-wine drinking, mince pie-eating, and general merriment.

Getting into the Festive Spirit with several glasses of Alberrys famous Mulled Wine is always a good idea.

An even better idea is to enjoy a glass of the spiced goodness with traditional mince pies.

# craft beers

Craft beer is all about embracing the original principles of beer, brewing in smaller batches and using only malt, water, hops and yeast in generally small, family-owned operations making the beer more flavourful and arguably a lot more interesting.

## brewdog brewery

**Punk IPA** 5.4% 330ML

This scene-stealing flagship India Pale Ale has become a byword for craft beer rebellion.

Layered with new world hops to create an explosion of tropical fruit and an all-out riot of grapefruit, pineapple and lychee before a spiky bitter finish, this is transatlantic fusion running at the fences of lost empires.

**Elvis Juice American IPA** 5.1% 330ML

This is an IPA like no other, putting grapefruit centre stage. Primed with tart pithy grapefruit peel for a citrus assault on the senses, it delivers intense US hop aromas with gigantic grapefruit notes tail-gated by orange and pine.

**Lost Lager** 4.5% 330ML

A German-style Pilsner brewed using wind power. The addition of Select, Spalter and Saphir hops combine vibrant citrus and herbal notes for an iconic lager tase that's both crisp and refreshing.

**Punk AF** 0.5% 330ML

Say hello to the Punkest non-alcoholic beer in town. Juicy tropical fruit mixes it up with grassy and pine notes. All sitting on a solid malt bassline.

Full flavour, no alcohol, all Punk.

## curious brewery

**Curious Session IPA** 4.4% 330ML

A triple hopped Session IPA of curiously crafted balance, finesse and distinctive drinkability.

**Curious Brew Lager** 4.7% 330ML

It is all about purity and freshness. Brewed with sazz and cascade hops, it is re-fermented with champagne yeast for a cleaner, fruitier and more aromatic finish.

**Curious Apple Cider** 5.2% 330ML

A clean and aromatic cider using only fully ripe, hand-picked Kentish Rubens and Bramley apples with crisp, fresh aromas of green apple and hints of elderflower, citrus and kiwi fruit.

# rum

For almost 20 years Alberrys has been synonymous with rum with a range to be envious of. We have now refined our range to those which we feel embodies the best that rum can offer. Some are well known brands like Havana others are lesser known gems from around the world like the rich, deep molasses flavour of St. Nicholas Abbey rum one of the oldest plantations on the planet.

## gold

These really are wonderful rums for mixing and our preference to create a fantastic Mojito. They are more flavourful than white rums and can have subtle flavours of vanilla, almond, citrus and caramel. The boss's favourite is to add ginger ale and fresh lime to create a long refreshing drink.
